About the Share the Sunshine Program

The Share the Sunshine Program is a package of benefits offered to Nature's Sunshine Managers and Distributors to help them improve their own health and the health of their family, downline and customers. It is also designed to help them build their Nature's Sunshine business and create a healthier, happier and more successful life.

Membership Benefits

Members who subscribe to Tree of Light's Share the Sunshine Program will receive the following benefits:

1. Two free webinar classes each month.

- a. ***The Sunshine Sharing Hour with Steven Horne.*** This webinar will be a class on the monthly health theme (the same topic as that month's Sunshine Sharing). This webinar will focus on the use of Nature's Sunshine products to help people heal various health problems or improve their health in some way.
- b. ***The Holistic Perspective with Steven Horne.*** The webinar will be focused on personal or business development. This webinar will be on topics like promoting yourself or your business, marketing, emotional healing, relationship skills, self-development or other topics designed to help you have a happier and more successful life.
- c. Each webinar will consist of approximately one hour of instruction by Steven Horne and/or guest experts, followed by a question and answer period. Members will be automatically registered for both webinars and will receive email notifications that will allow them to participate in the webinar classes.
- d. If Members are unable to attend the live webinars, the webinars will be recorded and posted into the Member area of the website, where they can be downloaded and viewed whenever the Member desires.
- e. Topics and guest experts for upcoming webinars will be announced at least three months in advance.

2. Access to the member area of Tree of Light's website.

The Member area will contain educational materials available exclusively to Members, including the following:

These discounts will be available for both online and phone orders. Discounts will not apply to products or courses which Tree of Light purchases from other vendors.

4. Auto-ship Option for Sunshine Sharing.

Tree of Light publishes a four-page newsletter each month called Sunshine Sharing, which is sold in bundles of 25. NSP Managers and Distributors purchase Sunshine Sharing as a sales tool to educate their customers and downline.

Anyone, Member or non-member, can purchase available copies of Sunshine Sharing (both the current and available back issues), but Members will receive a wholesale price on bundles of Sunshine Sharing. Non-members will pay \$10 per bundle of 25 copies and Members will pay \$5.50 per bundle of 25 copies. Regular shipping charges will apply to all orders of Sunshine Sharing not shipped on the auto-ship program.

Any Member who wants to have the latest issue of Sunshine Sharing automatically shipped to them each month will need to tell us the number of bundles they want each month. There is no minimum number of bundles required for auto-ship. An order can be for one bundle, two bundles or any quantity the Member desires.

There will be a flat \$5.00 shipping and handling fee for auto-ship orders of Sunshine Sharing. This fee applies to all orders of any number of bundles (from one to one hundred or more).

Each auto-shipment will include a product order form and flyers promoting the coming month's themes. These materials will also be available for download in the Member area.
